---

The need for families to connect with personal care and respite workers is great and becoming more acute every month. The Kansas Personal Care Directory can help individuals and families connect with Personal Care and Respite Workers. Rewarding Work is here to provide support if you need assistance getting started with the Directory, available at: [www.RewardingWork.org/Kansas](http://www.RewardingWork.org/Kansas)

We hope you have had a chance to try out the Directory! If not, it's easy to get started.

**If you are a parent or an agency helping families use the Directory**, you must complete a short registration form before searching the Directory for workers. On the homepage and throughout the website, look for box that says, "Hire someone today." Click on "Register and hire someone today."

**If you are a member of KanCare**, you are eligible for a free subscription when you enter an access code. Please enter the access code, below, that corresponds with your MCO:

Amerigroup: 133578

Sunflower: 154429

United: 654671

Once you have registered, you are ready to search the listing of available workers and/or post a free ad on our Job Board.

**If you are an agency that would like to use the Kansas Personal Care Directory to recruit workers for your organization**, please call Rewarding Work at 866-212-9675 or email [eparker@rewardingwork.org](mailto:eparker@rewardingwork.org) for information. Rewarding Work has put together a special membership package for this purpose, which includes having your agency listed on the Directory website.

**If you are an agency and need brochures for your families**, please email Barbara Bishop, the Arc of Douglas County, at: [bbishop@theardcks.org](mailto:bbishop@theardcks.org)

**Finally, if you know anyone looking for a job as a Personal Care or Respite Worker**, please tell them to visit the website to complete an online application. It is always free for workers to complete an application. To apply, job candidates click on the link that says "Want a rewarding job? Apply now for a job." Once the application is submitted, workers may be contacted directly by individuals and families who need to hire and may apply to jobs listed on the [Rewarding Work Kansas Job Board](#).

We hope this information helps! Please feel free to contact us with any questions. We look forward to working with you.

Sincerely,

Elenore Parker and Jeff Keilson
