

REQUEST A FREE TWIN BUNK BED

Sleep in Heavenly Peace is always eager to help families in need, particularly ones whose kids have uncomfortable sleeping arrangements. Unfortunately, we can only help families who are close to our active chapters. Therefore, you must fit the following criteria to receive one of our bunk beds:

Location

You must live near one of our active chapters (see our [Find Chapter](#) page for a list of locations).

Living Environment

You must have an accessible house or apartment with a room large enough to fit one of our beds.

Contact

We must be able to contact you via phone, text or email.

Necessary Documents

You'll need to fill out our online SHP Application Form. If your application is accepted, you'll need to sign an Indemnification Release Form (you can do this when your bed arrives). You can submit the application here:

WAYS TO REQUEST FREE BEDS

Bed Recipient

To qualify as a bed recipient, you must be the legal guardian of the child or children receiving the bed. Please submit the online SHP Application Form mentioned above.

Referral

Referring a family for a bed is a big responsibility. Generally, it is through referrals that we find the families who need our beds the most.

If you're a referral, please submit the online SHP Application Form. We also need the ability to reach people who refer a family via phone or text.

SELECTING A RECIPIENT

Once we receive an application, our selection committee will review it. Selecting a recipient isn't done on a first-come, first served basis—we make our decisions based on which children need beds the most. We make and deliver beds as supplies and donations allow. When we're out of beds or bedding, we file unselected applications away until we can make more. Unfortunately, we can't guarantee that every applicant will get a bed.
