

# Unlocking Implicit Bias

## A free workshop for healthcare providers

Unlocking Implicit Bias weaves humor, poignant stories from national headlines and personal experience into a rich learning experience. Participants leave with a sense of relief knowing that even good people have unconscious attitudes that affect the decisions they make. By removing the feelings of guilt, we open the door to constructive discussions that help begin to combat the effects of implicit bias.

**Wednesday, October 2**

**Dinner: 5:30-6 p.m. | Workshop: 6-7:30 p.m.**

**LMH Health Conference Room A**
