Join us on September 25 for our next WISE webinar!

During this month's webinar, we'll discuss the myths and facts about healthcare, work and earnings. Learn more about how employment affects Medicare and Medicaid benefits and how Ticket to Work and other Social Security programs and resources can help you succeed on the path to financial independence.

Get the facts on:

- How earnings from work affect your benefits, including Medicare or Medicaid
- How Work Incentives help you continue to receive medical benefits when you start working
- How a Benefits Counselor can help you on your journey to work

This event is part of a series of webinars that discusses many of the puzzle pieces (the resources, supports and services) that can help you identify, pursue and reach your career goals.
