UCS Human Service Summit - Register Today!

UCS' annual Summit will be held Wednesday, August 26, 8:30 a.m. - 12:30 p.m. at the Johnson County Arts & Heritage Center

Join UCS for the 2020 Human Service Summit - Build Our Housing Future. Be a part of the community conversation on housing, get an early look at housing data and survey insights from the Housing Study, and learn how you can participate in the Housing Task Force.

This year's Summit will focus on the 2020 Johnson County Municipalities Community Housing Study/Task Force that is currently underway. The cities, county and UCS recently launched a community wide housing market and needs assessment, the findings of which will be used for a 10-year outlook on housing that local officials can use to make policy decisions in the future.

This is a unique opportunity to come together with representatives from various community sectors who care deeply about Johnson County and to take part in a Housing Study listening session. Our community's economic vitality and sustainability is only as healthy as those who live and work here.

Due to COVID-19 safety measures, this year's Summit will have reduced in-person seating capacity and offer a virtual participation option. In-person attendance will include safe distancing measures, access to masks, and other appropriate safety measures. The \$25 registration fee is the same for either option.
