❑ **NEW! MOTIVATIONAL INTERVIEWING IN A GROUP SETTING:** **Motivational**

Interviewing training in a group setting is rarely offered. Trainer Bridgette Franklin was one of ten individuals selected in the U.S. and Puerto Rico to attend the MI in A Group Setting Training for Trainers at U.C.L.A. This training is being offered due to demand/Requests. Many organizations and treatment programs are conducting group training by zoom, in addition, to in-person groups. This training will provide facilitators with the dynamics of navigating the group process using motivational interviewing communication skills. MI in groups helps clients to go deeper in thought in their communication with the group process. Participants are provided with MI's communication skills and spirit to offer nonjudgmental, empathic, compassionate, and collaborative group experiences. If you are a group facilitator, you will be excited about this engaging group knowledge and experience. This group session is also beneficial for organizational leaders who conduct team meetings; the same processes are utilized.

SPECIAL PRICE FOR ALL PARTICIPANTS: \$99 (Space is limited)

The fee includes mid-morning and afternoon refreshments and course materials. Cancellation fee \$45 until November 25th; late fees after this date are nonrefundable.
