Join us for our Parent Connect series for information and learning opportunities from parenting experts and community presenters. Parent Connect focuses on families' strengths to help find solutions and encourage self-care.

Parent Connect is open to any parent/guardian living in Johnson County, Kansas. You do not have to be a client of Johnson County Mental Health Center (JCMHC) to attend.

In this presentation, Darla Nelson Metzger from Families Together will discuss how the needs of children with challenging behaviors can be prevented or reduced using de-escalation interventions, positive behavioral supports and simple prevention strategies for home.
